Dear Mr. President,

This letter is to serve as a request to join the Miami Valley Dance Council as required by Article V of the Constitution. I have read and the club will adhere to the purpose as stated in Article II of the Constitution.

The name of the club is MOTIVATORS. It is an Advanced I square dance club with rounds between each tip. The dances are held on the first, third and fifth Fridays of each month excluding June, July and August. The location of the dances is the Stouder Community Health Education Center in Troy, Ohio.

The club is governed by the two club callers, Joe Chiles and Keith Zimmerman, and there are no formal officers. Our proposed representative to the council will be Keith Zimmerman.

The reasons MOTIVATORS would like to join the council are as follows:

First, MOTIVATORS provides a service to A-I dancers in the area in that the club is designed for the fresh A-I graduate as well as the seasoned advanced dancer. Because many dancers find it stressful to begin dancing at the A-I level even after completing their lessons, MOTIVATORS original intent was to cater to these dancers at an enjoyable and comfortable level. The club also provides A-I dancing on the 1st, 3rd, & 5th weekends where it had not existed before. (Whirlaways, 2nd & 4th Fridays and Expressers, 2nd & 4th Sundays) This gives the A-I dancer in the council area an opportunity to dance each week. By joining the council, MOTIVATORS can provide these services to more Advanced dancers.

Second, many of the dancers currently coming to the MOTIVATORS, regularly dance at the Miami Valley clubs and are well informed about what is going on in the council area. By joining the council, information about our club would reach a greater number and a wider range of dancers than we now reach.

Finally, the Miami Valley Dance Council is one of the most active councils in the state and it is certainly the most active in the Lima, Columbus, Cincinnati, Dayton area. It would be a privilege to be a member of such a fine organization and to contribute to its continued success.

If accepted, the MOTIVATORS will uphold the Constitution and By-Laws of the Miami Valley Dance Council.

I hope that the council will accept the MOTIVATORS at the March 1983 meeting. In the event that the club is accepted, I have enclosed the July - December dance schedule as required by Article IV, Section 2, Line E of the By-Laws. Please forward it to the schedule printing committee. Thank you.

Sincerely

Keith A. Zimmerman
