Dear Cecil:

Just a note to thank you for your article on the front page of the Miami Valley Dance News, "Let's Take Another Look!"

I am very proud to be an internationally known Square Dance Callers wife and a Square Dancer for more than twenty years. I not only take great pride in my Square Dance clothing but also help encourage the proper Square Dance attire at all our classes and clubs. It is quite depressing to see "ladies" dancing in slacks when they look so much lovelier and look like "ladies" when wearing Square Dance dresses with their pretty petti-coats.

We are a proud country and we have a great activity. Let us be proud of it too and please wear the proper Square Dance attire at all times!

Kindest personal regards,

Kathy Helt
