Dear President:

In 1973 and 1976 the Miami Valley Dance Council was honored to host the Ohio State Square Dance Convention. Again this year, over the weekend of 4-5-6 May we will have this honor again. Paul and Jo Bonnell and their committee chairman indicate they have actions underway which should culminate in a very successful convention. If past performance is any criteria, it should be most successful.

One of the special attractions at the State Convention is the display of the Host Council's Banner where everyone who attends can see replicas of the banners for each club in the Council. We are currently taking action to update our Miami Valley Banner which currently hangs near the callers platform in the Michael Solomon Pavilion. Your club is not currently represented in that banner.

If you want your club to be represented in the Council Banner which will be on display at the Convention then you should prepare a miniature banner within the following specifications:

- a. Materiel - Felt
- b. Color - Club banner colors
- c. Design - Same as club banner
- d. Size - Thirteen inches square with a 1/2 inch additional border for mounting.
- e. Lettering - Must be sewed on so banner can be dry cleaned.

Upon receipt of the new miniature banners, the master banner will be taken apart, current miniature banners repaired and new banners added. The Council Banner will then be re-assembled and dry cleaned. It will be hung in the Convention Center during the Convention.

To accomplish the above and have the Council Banner available during the Convention, it is necessary that we have your miniature banner on or before 1 April. If it is not received by that date we will not be able to include it for this convention. Get it in as soon as you can as we want your club represented in the Council Banner.

Thank you for your Cooperation.
