

The CLINTON COUNTY COUNTRY SQUARES wish to nominate HOWARD and JANET DAVIS for the Miami Valley's honor couple at the convention.

We feel they deserve this recognition by being charter members. They designed the club banner and made all of them; also recently choreographed the march the club does on their banner raids/retrievals. Volunteered as the banner raid chairmen, then was elected to this position when it became a club office. They are now serving as treasurers. Have supported the club on forty raids/retrievals besides finding time to belong to another club.
