

The CLINTON COUNTY COUNTRY SQUARES wish to nominate DALE and DELORES FAULKNER for the Miami Valley's honor couple at the convention.

We feel they deserve the recognition by having taken the initiative to talk with area callers and club members for the purpose of starting a local club. They located a caller and with a lot of hard work and many hours, they put together a demonstration night. From the enthusiasm of this demonstration and the patience of the caller and a few area club members, they started what turned out to be the CLINTON COUNTY COUNTRY SQUARES.

They are charter members, served as the club's first presidents, at the same time served as a guide and leaders. They have also served on many important committees.
