

Nomination - Joe and Clara Holt, Club President, Crawford Squares.

Joe and Clara Holt give unselfishly of their time and efforts toward promoting the Crawford Squares Club, not periodically, but 12 months a year.

The first and third Wednesday of each month for the Club Dance, they go over to the Summerford School (November through April) early, before the dance starts at 7:00 p.m., to open the school, turn the heat on and arrange the stage, dance hall and cafeteria for the nightly club activities. After the dance is over, they put each of the above back in order, turn heat off, arrange the building for school activities the next day, and lock up the building.

They have in the past, before the Treasury could afford a coffee pot of their own for the Club classes and dances, provided one of their own for the Club use. They also prepare the pot with hot water for coffee or hot chocolate for class nights and club dance nights. They also purchase the coffee and chocolate and maintain the coffee pot - keeping it clean, working properly and storage of same.

They are continually working on extra projects to make money for the Club Treasury. They talk to people - constantly looking for new ideas - follow-up on these - put them into effect and do everything in their power to promote these projects to help the Club.

They make-up or help to make-up flyers for extra dance club activities so the Club members, class members, and other club members are made aware of what is going on in the friendly world of square dancing.

They are active in community affairs and whenever possible, combine these with square dance activities such as benefits, nursing home entertainment, and whatever any one suggests to combine the two.

They are never too busy to listen to any one that has an idea that might prove beneficial to the club, classes, workshops or just plain good, clean, friendly fun for all involved with Crawford Squares.

They have provided their own money for Club debts until the Treasury could repay them.

In short, Joe and Clara Holt are representative of tireless energy, cooperative attitude, generosity, moral support and complete involvement toward the great and glorious art of Western Square Dancing.
