Mr. Walter Wilson  
Chairman  
Miami Valley Dance Council

Dear Walt:

In response to your letter of 15 February 1979 which in part solicits a candidate from each of the member clubs of The Miami Valley Dance Council for the distinctive designation of "Honor Roll Couple", we the members of The Dayton Square Dance Club graciously submit for your consideration the name of our chosen couple--Charley and Louise Molloy.

Attached is a resume depicting the qualifications of this couple and justifying The Dayton Square Dance Club nomination of Charley and Louise Molloy as The Miami Valley Dance Council "Honor Couple" for the 20th Annual Buckeye State Convention.

The Dayton Square Dance Club believes that the past efforts of this couple in promoting and furthering square, round and folk dancing in The Miami Valley Dance Council are the challenging efforts of a truly competitive champion. The fruition of these efforts will continue to be reflected in many happy hours of dancing for a myriad of dancers with gratifying smiles upon their faces. The contagious effect of all this means a more wholesome life for all who join us in dancing.

Yours very truly,

Chairman  
The Dayton Square Dance Club

# DAYTON SQUARE DANCE CLUB

1979-1980

Over the years Charley and Louise have been active and helpful in the square dance movement. They have assisted in lesson classes, workshops and have always tried to make new club members feel welcome.

At the present time they are active members of the Dayton Square Dance Club, The Whirlaways and The Miami Valley Round Dance Club. In 1975 and 1976, they served on the council of The Dayton Square Dance Club. Their responsibility was to return the format to an all Visiting Caller program. Through their endeavors they were successful in introducing many excellent new callers to the area.

In 1977 and 1978 Charley was elected and served as President of The Miami Valley Dance Council. In addition to the usual presidential duties, he appointed a committee to conduct a seminar on leadership, solving problems and how to operate a successful square dance club. The initial seminar is scheduled to start this spring.

During his tenure as President, plans were formulated and developed to build a new dance pavilion at Kitty Hawk golf course entailing many meetings with city officials, architects and committee members.

In 1979 Charley has agreed to chair a committee to pursue the development of additional dance facilities for the Miami Valley dancers.

At the present time, Charley and Louise are serving as chairman of the Registration Committee for the 20th Annual Buckeye Dance Convention.

On February 25, 1979, the city of Dayton held a Roadrunner Extra Mile Award ceremony honoring various people for their "outstanding volunteer services to the citizens of Dayton" through the Recreation Division. Because of his work on behalf of the Miami Valley Dance Council, Mayor McGee presented Charley with an award in the category of Performing Arts.

Louise and Charley are enthusiastic round and square dancers and enjoy going to out-of-town dances and on square dance vacations such as Fontana, California and Hawaii. When Charley retires, they hope to devote even more time to their favorite hobby.
