Dear Dottie & Walt;

We were so glad to receive your letter and to know that plans for another wheelchair square dance group was in the making. It takes time to get things organized, but once they really start dancing, they will become excited about how much fun it can be and they will really enjoy it.

If there is anything else we can help you or the caller with, we will be glad to do so.

Thank you so much for the check we gave it to the Colo. Wheelers to be put in their fund.
Maybe some day if enough

Clubs are organized, they will be
able to have a convention of their
own. We think that would be
great.

Always
Tisk & Gordon
