Clinton County Country Squares Nominees
For Miami Valley Dance Council
Honor Roll Dancers - 1980

Don and Sharon Holmer began dancing in Mobile, Alabama, in 1974, two years prior to moving to Wilmington, Ohio, and becoming charter members of the Clinton County Country Squares. During the club's fledgling year, the Holmer's joined with other club members to establish square dancing in Clinton County.

The Holmers have been active in every class graduated by the Country Squares. Most recently Don volunteered his services as an amateur caller and held extra weekly workshops for class members, helping them become more secure in square dance basics.

In 1978, Don and Sharon served as Clinton County Country Squares president and representative to the Miami Valley Dance Council. They participated as a theme representative in Columbus at the state convention that year.

Don willingly donates his time and puts his amateur caller's status to good use by calling for the many exhibition dances the Club stages in the area. He has also substituted for Clinton County Country Squares' caller, Jim Erbaugh, at lesson classes.

Sharon is a clogger and willingly lends help to others who are interested in learning to clog. She gladly helps others with sewing western dance dresses, and is always available to dance with singles.

Don and Sharon are reliable square dancers. They dance at least twice a week, have attended every square dance convention since moving to Ohio, and have traveled to Kentucky and Tennessee to further square dancing interests. They were nominated as Clinton County Country Squares' honor roll dancers by a vote of club members,

which goes to prove that they are highly prized as friends and fellow square dancers.

A big thank you to Don and Sharon Holmer for being beginning dancers' gardian angels and a big boost to the Clinton County Country Squares.
