Re: Lee Kopman Show

Dear Ms McMillen:

I enjoyed the program of May 14th with Lee Kopman and the square dancers.

I am president of The Miami Valley Dance Council in Dayton, Ohio. We have over 2,500 dancers in our council. Many of these dancers work through the day and were unable to see the program. We, able to see the program, thought it was great and were wondering if it could be run again on "The Best of Donahue" for the ones who were unable to see the program.

We are hoping to see the program again,

I remain,

Walter Wilson
President
Miami Valley Dance Council
