Dear Merle:

The Miami Valley Round Dance Club council respectfully nominates for the Honor Roll Couple of the year 1981:

Mr. & Mrs. Walter Wilson

Walt and Dottie have been president of the Miami Valley Dance Council for the past two years. While in that office they worked long and hard promoting recreational dancing. Some of their achievements are:

1. Incorporated the Miami Valley Dance Council to make that organization more effective in dealing with regional governments.
2. Instituted seminars on Leadership and Dance club operations.
3. Obtained a City of Dayton proclamation for National Square Dance Week.
4. Organized many Square, Round and Folk dance demonstrations at the Court House Square in Dayton and in various community shopping centers.
5. Prepared the map showing MVDC dance club locations which was taken to the last two State and National Conventions.
6. Demonstrated MVDC interest and concern by officially visiting all new clubs in the MVDC area as well as most of the existing clubs.

Walt and Dottie have been dancing for many years and have always contributed at the club level. They are past Chairman of the Crossroad Squares in Vandalia and have been on the council of both The Dayton Square Dance Club and the Dayton Whirlaways. They are also active members of Miami Valley Round Dance Club and the Springfield Road Runners.

In addition to local participation our nominees have traveled to Mexico, Japan, Switzerland and widely in the United States representing Ohio and the MVDC at dance conventions.

We believe that the outstanding efforts of Walt and Dottie deserve recognition and proudly recommend them.

Sincerely,

*Joe*
