

CLASS OF 1981

As graduation grows nearer we are sure you are getting anxious to start dancing with the different clubs and everyone is anxiously waiting until you are graduated to have you out.

You, however, may allay your concern, for you are a finished product of Chuck Myers' EIGHTH Square Dancing Class, conducted under the auspices of The Miami Valley Dance Council at Michael Solomon (M/S) Pavilion, better known as the Mecca of dancing in southern Ohio.

The Who, What, When, How, Why and Where you should continue to dance after graduation, should present no bewildering experience to you. Members of existing clubs in the dance council have helped you place your hands and feet in the directions called by Chuck, and there is every reason to believe that they will continue to provide you with their personal attention when you dance on a new floor, to the strange voice of a new caller.

On behalf of the entire membership of the Dayton 2 X 4's, we wish to extend to each of you, as graduates of Chuck Myers' class, a homey welcome to the 2 X 4's along with the opportunity to continue to dance on the wooden floor of M/S Pavilion with our club caller, Chuck Myers.

You are invited to be our Guest at our regular club dance on April 18, 1981. You will be given a complimentary membership card for the remainder of 1981. This membership, along with a club badge, will admit you to our regular dances for \$1.00 per person (\$2.00 per couple).

To make your membership package complete, we ask that you order your club badge, as soon as possible, so that we can order and hopefully, have them by April 18th, 1981 (Badges are \$2.50 each)

Just where can you have so much fun for so little expense?

Be assured that the older members of the club will help you through your exposure to club dancing.
