

2 X 4's SQUARE DANCE CLUB

Our club caller is Chuck Myers, who calls one dance each month. We dance at the Pavilion the first and third Saturdays, 8:30-11:00 P.M. The first dance each month is preceded by a workshop at 7:30 P.M.

We have a monthly Newsletter which is written to keep you up-to-date on club events.

We have a telephone committee which contacts members for Banner-raids and other special events, ---10 telephone callers are needed from YOUR GROUP to call about 8 people whose names and phone numbers will be furnished. Volunteers should call 256-3179 or give us your name at the dance on April 18, 1981.

Refreshments: The club furnishes coffee and punch at all dances, and members bring finger-foods. The first dance each month is supplied by the members whose last name begins with A thru K, and the second dance by those with L thru Z.

CLUB DRESS: The club dress may be changed in the near future but at the present time the pattern is Simplicity #6452. The material is Dotted Swiss with Jumbo ric-rac trim. The color is your choice. It is not mandatory that you have a Club Dress, however, they add much to the appearance of our group on Banner Raids/Retrievals and on special occasions.

Banner Raids & Retrievals: Many clubs, including the 2x4's have a Hobo or Traveling Banner. At least 8 couples are required to visit another club to raid or retrieve a banner. We give each member a Thief Badge when they have been along on 5 visits, and a sparkling chin shisker for each additional 5 visits. As a result of these visits we dance at different places to a variety of callers, promote friendship among our members, and with other Clubs, and have a lot of fun.
