Honor Roll Dancers

George and Mady D'Aloiso

2240 Vemco Drive
Bellbrook, Ohio

In 1969 George and Mady took their basic square dance lessons at the Washington Squares Club in Centerville, Ohio. They immediately became involved, after graduation, by serving as officers in the Washington Square Club and then in the Dayton Square Dance Club.

Round dancing became a part of their dance activities in 1970 when they took their basics and advanced classes at Michael Solomon Pavilion and immediately became involved with both the Miami Valley Round Dance Club and the Dayton Round Dance Club.

George started cueing rounds in 1970 and through his and Mady's efforts have made Dayton, Ohio one of the strongest round dance areas in the state. At the present time they have a class, two clubs and cue every Friday at the Pavilion. They also head the Michael Solomon Support Committee. This committee is responsible for many of the improvements at the Pavilion. Mady is also responsible for much of the beautiful decorations you see throughout the year.

They also have become very involved in Dayton's State Conventions. They have served as Round Dance Chairmen for the 1976, 1979 and 1982 convention. They have spent many hours in the planning and execution of the convention publicity shows for which Dayton has become so well known statewide.

They presently serve as the Secretary of the Buckeye Round Dance Council, having previously served as the Treasurer. They have been elected President of this organization and will be assuming that position next year.

Currently they are National Convention Chairmen for the Universal Round Dance Council. They have also served as the Secretary of the national organization. They are on the permanent staff at Fontana Village, N.C., for Fun Fest, both spring and fall.

We in the Miami Valley Dance Council appreciate their effort and dedication in the promotion and advancement of dancing in Dayton as well as in Ohio. It is a pleasure to present Mady and George D'Aloiso as our Honor Roll couple for 1982.
