After welcoming everyone to the meeting, President Stephens presented the trustees. Jim Burton from Springfield and Mike Grady from Circle 8's are the two new trustees. Marge Hartis and Jim Oliver will continue to serve along with Irene Romero from the Dept. of Recreation as Trustees. The Trustees were appointed as a committee to study what to do about providing another facility for MVDC dancing in the area. A lengthy discussion followed on the possibilities for another building similar to the Pavilion. Betty French will talk to Irene Romero about the availability of another existing building. The trustees will seek out additional information pertaining to this problem.

Another matter of concern to the board is who will be the chairpersons of the 1988 Convention. Jo and Paul Bonnell will be retiring after the 1984 convention and it will be necessary to name their successors.

Ed discussed the need for a committee to design rules and regulations for selecting the Honor Roll Persons. Merle Steiner, Marge Hartis and Charlie Feeser were appointed to work out guidelines for choosing these persons. It was suggested that some procedure be set up to honor all nominees for this award.

The 100 Banner Raid Award program has gone quite well this year. Ed has gone to the clubs to present badges to those who have qualified. How many raids a person has been on must be documented by the club or clubs for which the person has raided.

The State Corporation representatives are appointed for two years by the president. This is done in May at Convention time. State Corporation meets in February, May, August and November.

It was brought to the attention of the board that Charlotte Campbell's reelection as secretary was illegal. The constitution states that an officer may be reelected only one time. It was moved and seconded that this provision be waived in this case since no one ran against Charlotte for election. The motion carried.

Mini-Legacy was discussed briefly. The group has engaged in discussion only to this point and has no means by which positive action can be taken.

The need for information about clogging and round dancing for the Newsletter was emphasized by Betty French.

The problem of angels at the council lessons at the Pavilion was discussed. It was agreed that the vice president and the caller will need to handle this as the problem arises at the classes.

Betty French was reappointed Editor of the Newsletter for another year.

The meeting adjourned to enjoy the delicious buffet served by Ocie and Ed Stephens.
