

The Washington Square Dance Club would like to submit the names of Omar and Shirley Dugan for Honors Couple of the Miami Valley Square Dance Association.

Omar and Shirley began square dancing in 1963 with the Village Squares in Greenwich Village and their lives have touched many dancers since then. They have been members of the Greenwich Village Squares, the Date-N-8's, the 2 X 4's, the Wright Patters, the Huber Hoopes, the Frigidair Gold Crowns and the Washington Squares. The Washington Squares first felt their friendly and outgoing presence in 1978 when they attended a workshop class. Since 1978, they have been a driving force in building their club, the Washington Squares, into a club the Association can be proud of.

They have served as Mr. and Mrs. Vice President and on many committees for the improvement of their club - the most important and beneficial of these being the Square Dance Clothing Sale that has been so successful.

Their willingness to participate in many banner raids and to assist in student classes are the attributes that are most needed to spread the good things of Square Dancing.

Marvin and Elma Brown
President
