The minutes of the January 11 meeting were approved as written.

Treasurer Wanda Hunter reported the balance on hand as of February 28 as follows: General Operating Fund, \$10,997.00; Building Fund, \$40,949.68; and a total balance of \$51,946.68. The Treasurer's report was accepted.

Jack Worley, Vice President, reported that the current lesson class' graduation will be held on April 4. Sixteen squares are in this class.

Plus I and II class, taught by Chuck Myers, will begin on April 11 and run through June 13 with no dance on May 30. The cost will be \$27.00 per couple.

The Advanced I class will begin on June 24 and run through August 29, with no class on July 4. Instructor will be Dave Hodson. The cost will be \$30.00 per couple.

There will be no angels for the Plus I and II class or for the Advanced I class. Everyone who attends must pay.

Betty French, Editor, MV NEWSLETTER, reminded the Council members to be sure to return the survey forms included in the last newsletter. Some have been returned but more are needed.

State Convention Chairman Paul Bonnell reported that convention plans are progressing on schedule. Publicity Chairman Mike Grady reported that all but six clubs have been represented at the 2 publicity meetings that have been held in preparation for the show to be put on in Cincinnati. The show has been planned and assignments have been made. The show will carry out an "ET" theme. Order blanks for convention badges will be out soon.

Doris Warren and Jo Bonnell showed the dress that has been designed for '84 convention publicity. Orders are being taken for kits of material and instructions needed to make the dress. The cost of the kits is \$14.50. The kits will be made up in a work session at the Pavilion on March 23, 10:00 AM. Kits may be picked up and paid for at the Pavilion on March 26, April 9, April 16, April 23 and April 30, between 1:00 and 3:00 PM. Silver and blue slips and pettipants may be ordered by contacting Mady D'Aloiso. A flyer containing all the information about the publicity dress was distributed. To have the dress ready by convention time in May, orders must be in by April 4.

The name of the convention has been changed from "Buckeye State Square Dance Convention" to "Buckeye Dance Convention".

Paul Bonnell thanked all the clubs for sending representatives to the convention publicity planning meetings.

George Baver, State Corporation Representative, reminded the Council that Honor Roll names should be in to the State Corporation by March 10. The name of the State Corporation is now "Ohio Corporation of Dance Clubs".

Callers and Cuers who are interested in participating in State Fair Day should contact Bob Krall, 3384 Darbyshire Drive, Columbus, Ohio 43220. Bob needs their names and their Social Security numbers.

Mini-Legacy will be held on October 1, 1983.

Central Ohio Corporation has extended an invitation to MVDC members to participate in a Leadership Seminar featuring John Kaltenthaler, Executive Secretary of Callerlab, on April 24 in Columbus.

Glen Berry, Callers Association Representative, reminded the group of the two remaining beginners' dances on 13 and April 10 at Bomberger Center, 2:00-5:00 PM.

Mady D'Aloiso asked that people who use the pavilion be especially careful about turning out the lights and closing the doors when leaving. She also reminded the group that all building improvements have to be approved and carried out by the city.

Mike Grady reported that the Trustees have been making some contacts about possibilities of a site for a second pavilion. They have investigated several locations including some closed school buildings. The cost of utilities for the school buildings would be quite high and would be quite a burden for our purposes. Anyone knowing of other locations that might be feasible should let the Trustees know.

Ann Wilder has received a few questionnaires back on the special study on dance drop-outs. The deadline for returning these questionnaires is April 15.

Four clubs requested membership in the Miami Valley Dance Council. They are: The Motivators Al Club, Troy; Freedom Squares, Gettysburg; Mary Go Rounds, Castine; and Rounds by Jobe, Lawrenceville. Paul Bonnell moved, Al Moebus seconded, that these clubs be accepted into the Council. Motion carried. These clubs were welcomed into the Council by President Feeser and the other council members.

President Feeser suggested to the Council that badges be made for the club representatives so these people would be more visible at dances. This would let other dancers know who they are in case they have things that should be brought to the council. George Baver moved, Paul Bonnell seconded, that the Council order and pay for badges for the club representatives. Motion carried.

Jack Worley presented an idea for providing more shelter at the front entrance of the pavilion. No action could be taken since this must be discussed with the City.

The meeting was adjourned at 8:10 PM.
