Betty French	5207 Weddington, Dayton 45428	837-3530	Editor
Charlotte N. Campbell	865 Meadow Lane, Troy 45373	335-2183	Secretary

The minutes of the May 5 meeting were approved as written.

Wanda Hunter, Treasurer, reported the balance on hand as of June 30, 1983 as follows: General Operating Fund, \$11,006.47; Building Fund, \$42,549.46; with a total of \$53,555.93. The Treasurer's Report was accepted.

In the absence of Jack Worley, Vice President, Charlie Feeser reported that the A-1 workshop is moving along with 6½ squares. This will end on August 29. Demo Dances will be held at the Dayton Mall on August 27 and 28 from 2:00 - 4:00 PM. The Fall Lesson Class for MVDC will begin on September 12 with Open House and lessons starting on September 19. These classes will run 13 weeks at \$35.00 per couple.

NEWSLETTER Editor Betty French reminded that July 20 is the deadline for lesson class information. She also reminded that January - June, 1984 Dance Schedules are due at the September 13 Council meeting.

Jo Bonnell, representing the State Corporation, encouraged attendance at the August 13 Square Dance at the State Fair. It will be in the Rhodes Building from 5:30 - 11:00 PM. Wear convention dress if you have it.

Paul Bonnell, Chairman of the 1984 State Convention, reported that they had already started travelling. The response has been good. The schedule for the next few weeks will be light and then it picks up by August. Paul asked that clubs PLEASE not schedule club dances on May 4,5,6, 1984 since this will be the dates of the state convention. Those who will be dancing outside the council are urged to take convention flyers with them. Also if ^{they find} flyers of special dances that Publicity should attend to advertise the convention, please bring or send them to the Bonnells.

Irene Romero, Dayton Parks and Recreation, explained about the mailing of the NEWSLETTERS. If there are any volunteers who would like to help get the newsletters ready for mailing, please give their names and phone numbers to Irene. Assistance would be appreciated. Irene also announced that the cupolas have been removed from the roof of the Pavilion and that should stop the leaking problems.

Jim Burton, Trustee, reported that the "Blue Moon" is being bought by the K of C. Jim gave information about storage spaces that are available for rent. He also reported on storage barns that might be purchased and placed just outside the pavilion. Then it was asked if a storage room could be added on to the pavilion. It was decided that Irene Romero would check out this possibility with the city and see if some help in planning the addition would be available. This will be brought back to the council in January.

Mona Cannell, Callers' Association, reported that the Callers will again be sponsoring Beginners' Dances, probably beginning in November. This summer they are sponsoring Mainstream Dances in Miamisburg at Sor'rell's. Flyers are available about these dances. Mona observed that the Callers' Association has had representatives at MVDC meetings for the past 2 years and that the callers think it would be very nice if the Council would send a representative to the Callers' meetings. Charlie Feeser will see about that.

Mady D'Aloiso, Pavilion Support Committee, raised a question about where some of the chairs and the clock have gone. They are missing. Irene Romero responded that no one from the City had authorization to remove anything. The security of the building was discussed. It was urged that those using the building BE SURE the doors are locked and the windows are closed before leaving.

Charlie Feeser asked for response on whether the Council would have dancers at the Lions' Club Parade in Brookville, August 20, and how the Council would participate in the Kettering Holiday at Home Parade on September 5. After some discussion it was decided that the Council would march in both these parades.

NEW BUSINESS - There are so many people qualifying for the 100 Honor Raid Badge it is difficult for the president to get around to all of them. The motion was made by Charlie Feeser and seconded by Zitta Ward that those people who are to receive the badges be recognized in two ways: 1) By coming to the council meeting to receive the badge and 2) By having the Council Representative give them special recognition at the club level. The motion carried.

Club Representatives announced special dances or other club related information.

There being no further business the meeting was adjourned at 7:45 PM.
