

MIAMI VALLEY DANCE COUNCIL
Regular Meeting
Tuesday, September 11, 1984

The regular meeting of the Miami Valley Dance Council was called to order at 7:03 p.m. by President Howard Bailey.

The secretary called the roll of officers and trustees. It was moved and seconded we dispense with the reading of the minutes of the July meeting and approve them as mailed. Motion seconded and passed.

Howard Bailey made a short report on the new Pavilion. We are still contemplating three sites. A meeting is set up for the end of September with the City Manager of Springfield for one site; next month we will meet with the Northeast Priority Board for a Dayton site, and the third site will be discussed in approximately two months. Three committees are appointed as follows:

FEASIBILITY COMMITTEE

Walt Wilson, Chairman
Bob Gilley - Shooting Stars
Bob Rae - Dayton Square & Round Dance Club

FINANCE COMMITTEE

Ken Roberts, Chairman
Jim Bucher - Wright Patters
Gene Diener - Wright Patters

BUILDING & SITE COMMITTEE

Jim Burton, Chairman
Bob Grabill - S'Allamands
Don Grove - Squares a Go-Go

These committees will be very active for the next few months and we will have reports from them. The contemplated sites are: Eastwood Park next to Riverside Village, Springfield Municipal Airport next to the Officers Club, and George Rogers Clark Park on State Route 4.

Vice President Bob Peyton reported on the Mainstream dances and the new Lesson Classes which began last evening. Mainstream dances came to a close August 27, with the Council breaking even (possibly a little to the good) financially. Invite your friends! There is still plenty of time for new enrollees to join . . . it does appear we will have another small class.

Treasurer Don Hunter reported a total balance on hand as of August 31 of \$78,489.14, \$25,000 of which came from the convention fund. It was moved and seconded we accept the Treasurer's report for audit. Motion passed.

Glen Berry, called out-of-town had Mona Cannell substituting for him. The first beginners dance will be NOVEMBER 18 from 2-5 p.m. at Bomberger Center . . . and on the second Sunday of each following month thereafter at the same site.

Editor Betty French reported she has most of the schedules . . . all must be to her by September 20. The next issue of the Newsletter is at the Parks & Recreation office waiting to be reproduced. Club officer and banner raid chairmen changes must be in as soon as possible in writing and on separate sheets of paper.

Mady D'Aloiso, Pavilion Support, and Irene Romero, City of Dayton Department of Parks and Recreation, are both absent this evening . . . no report from these committees.

Mona Cannell reported for Mini-Legacy. The Agenda has been planned for next month's meeting on the first Saturday of October which will include discussion on the alcohol problem, progress reports on leadership training and development, Central Ohio telephone Hot Line, publicity and how we can communicate better what we do as square dancers and presenting a sense of class eliminating detracting and distracting hollering, foot-stomping, and exuberance and non-essential chatter, emphasis on styling and tradition, uniting in a state-wide support of a charity, i.e., Ronald McDonald House, obligations to our callers on program we expect them to call. If you have any concerns with any of these topics, please call Mona.

Paul and Jo Bonnell gave a final report on the Convention. A breakdown from the Convention Treasurer by Committee was turned over to Don Hunter, Treasurer. Paul & Jo thanked the Council for the trip we gave them to Toledo. He also reminded everyone of the Columbus Convention coming up next year. Headquarters for Dayton will be the Rodeway Inn on Rt. 161 at I-71. Regardless of where you stay in Columbus, you must drive to the Convention site, unless you are camping. Camping facilities will be limited for hook-ups.

Jo Bonnell reported on the State Corp. She commented on the dress design for the Nationals in Houston in 1987. Jo also reminded everyone to wear the "booster buttons" because they are worth a ticket on a door prize in Columbus. Also, we are arrears on our dues to the State . . . \$15.00. There was a change in the Bylaws regarding alcohol. Wording was changed from "will not permit" to "refrain from . . . before, during and at all scheduled dances and all conventions."

Also the name of STATE CORP. has been changed to OHIO CORPORATION OF DANCE CLUBS.

Howard asked everyone to remind your Clubs the State Sewing contest is coming up fast, and all designs to be submitted must be in by the November Council Meeting. All information was listed in the February minutes. Designed dresses will be displayed in January.

It was also suggested Dayton may want to put in a bid for the National Convention . . . this will be discussed at the November meeting.

New Business: There was quite a discussion regarding the "BYOB" dance sponsored by a non-profit organization in Dayton . . . Advancing the Developmentally Disabled, Inc. A phone call of protest was made to the organization on behalf of the Council. Displaying this type flyer is contrary to the Miami Valley Dance Council Bylaws. Len Cannell moved we send a formal letter of protest to that organization explaining we do not condone alcohol at any dances sponsored by any club associated with the Miami Valley Dance Council. Motion seconded and passed by a show of hands.

Howard mentioned he had photos of a building in Indiana which was just built at a very reasonable cost. Don Grove reported there is a dance on October 21 (Sunday) 2-6 p.m. . . . their Harvest Festival with Red Orndorf and R. Eberhard calling. It is located in Scottsburg, Indiana . . . I-70 to Indianapolis, Bypass 65 South toward Louisville and it is half way between Indianapolis and Louisville, about 3 miles off the main drag. The building was built just last year at a cost of \$65,000 including a kitchen with appliances. They do not as yet have a wood floor or air conditioning. This club only has 40 members and they built it by subscribing several thousand dollars each and the Treasurer donated the land. Twin Base danced there recently and thought it was fantastic.

Howard mentioned the article published in the Dayton Daily News about Walt Wilson and wife, Dottie, who have travelled the world over square dancing. The article is posted on the bulletin board. This was great publicity for Square Dancing.

Marean Rae reported on the Nominating Committee consisting of her, her husband, Bob and Wayne and Lucille Anderson:

The following names were submitted for nomination for the Miami Valley Dance Council for 1985:

- | | |
|----------------|------------------------|
| President | Howard Bailey (Isabel) |
| Vice President | Joe Near (Bert) |
| Secretary | Barb Taylor |
| Treasurer | Ken Roberts (Sherrie) |

As there were no nominations from the floor, it was moved and seconded that the nominations for the officers of the MVDC for 1985 be closed. Passed unanimously.

Betty French commended Marean for giving us a short synopsis of each candidate. At least we all know something about these people. The entire committee worked very hard interviewing all candidates and we have a fine slate.
