

Jan. 14, 1985

Dear Mr. Bailey,

We have in our club a couple that we feel merits being nominated as Honor Couple Nominees for the Miami Valley Dance Council.

They began lessons in 1960, taught by C.W. "Bud" Froehle at the Civilian Club at Wright-Patterson AFB, and graduated in 1961. They have been active dancers, first joining the Circle 8s and the Cedarville Square Dance Club before joining the Xenia Hospitality Squares in 1973 when the club was formed. They have been angels and assisted with many lesson classes. They have always promoted good relationships with other clubs and have been credited with over 100 banner raids and received their Honor Badges in Nov. 1984. Had it not been for his changing work shifts, this honor could have been received a lot sooner because they greatly support the club when possible. Among the offices they have held are President, Vice-President, and Banner Chairman and also was our club representative for the Miami Valley Dance Council several times. In 1984, they were President and due to the illness and death of our Vice-President's wife, they took over that position for the second half of the year. Also, due to job related problems of the elected officer, they also took over the job of Banner Chairman for him. All of these jobs were done in an outstanding manner and merit being recognized. They are truly supportive members of the Xenia Hospitality Squares and we are proud to nominate Zane and Helen Bailey for the Honor Couple for the Miami Valley Dance Council.

Thank you very much.

Wil & Vi Millward
