

Yellow Springs Yellow Rockers

HONOR COUPLE: TERRY & JORETTA COX

Our reasons for choosing the Cox's for honor couple is the following:

1. They have worked so hard to get this club going and get it off the ground. They put out all the information to all the members in our club on what is going on in other clubs and also in our own club. They took care of all the problems of getting badges made and done all the flyers, minutes, running around to take flyers to other dance clubs in the area and out of the area.
2. They have promoted this club tremendously, by dancing at other clubs, making all the calls to the Editor of the Dance Council to ask questions about anything that will help our club survive. They have gone beyond their duty to see that this club is comfortable for every member and all the Guest who come.
3. The Cox's have ran this club by themselves practically and did a very good job. With out them we would not have a club here today to enjoy ourselves and meet new people.

Thank You,

Yellow Rockers
