

TO: Miami Valley Dance Council

7 January 1985

FROM: Shooting Stars

SUBJECT: Honor Couple

The Shooting Stars are very interested in taking part in this award to club members who have contributed to the promotion of square and round dancing in the Miami Valley.

Due to the importance of this award, the Shooting Stars would like to make the following suggestions that may help clubs in the Miami Valley take more interest and get more nominee's entered.

- A. Publish guidelines on the criteria the council uses in selecting the honor couple.
- B. Publish what the honor couple receives when winning this award.
- C. After the honor couple has been selected, mail a newsletter or a resume to all clubs in the Miami Valley Council with the picture of the couple selected, using the picture sent in to the council when the nomination was received. The accomplishments of the honor couple should be included in the newsletter or resume. This should be done as soon as possible after the selection has been made.
- D. Communications is our best advertisement to all dancers in the Miami Valley.

The above suggestions are made to help all dancers in the Miami Valley Council fully understand the honor couple award and to see the net results of our program.
