

11-12-86
Honor Couple For Super B's

After retiring from the work force in 1982, we started square dance lessons with the Super B's. With the help of the dedicated angels, we finished the class and have enjoyed square dancing ever since.

Our lives have been so enriched by square dancing and by many friends we have made in the Super B's and the many other clubs.

Since that time, we have angeled for all lesson classes, served as hostess and greeters, was president in 1985 and directors in 1986, attended 50+ banner raids and numerous demos. It has all been fun.

↓ and 1987

We are so happy to be envolved with such a friendly group of people and hope to beable to continue square dancing for many years to come.

Respectfully,
Russ & Dee Jolley
