Dear Joanne Dombrowski:

As a loan to the clubs that dance at the Michael Solomon Pavilion, MVDC has reimbursed the City of Dayton for the full cost of the Pavilion floor repair. The clubs, who agreed at the May 1987 Council meeting to pay for the repair, will repay the loan over a two-year period by reimbursing the Council for each time they **use** the Pavilion.

Your club is to remit \$5.25 to the Miami Valley Dance Council each time it uses the Michael Solomon Pavilion. This amount represents a reduction in the original amount planned for repayment due to a lower-than-expected repair charge. Checks should be made payable to the Miami Valley Dance Council and sent to the following address.

Peter French
5207 Weddington Drive
Dayton, Ohio 45426

You may make the payments as often as you wish but no less frequently than once each quarter; i.e., by the end of October, January, April, and July. These payments are for a two-year period from August 1, 1987 thru July 31, 1989.

Sincerely,

Peter K. French, Treasurer
Miami Valley Dance Council
