WRIGHT-PATTERS SQUARE DANCE CLUB
Medway, Ohio

Nominee for honored couple of Miami Valley Dance Council.

By: Wright-Patters Square Dance Club.

7 Jan 88

Gene and Bernadette Diener,
5933 Hartwick Lane,
Huber Heights, Ohio 45424.

This outstanding square dancing couple first saw Western Square Dancing at the Wright-Patters open house in September 1973. They were immediately captivated by it, joined the lesson class graduating in February, 1974, and joined the Wright-Patters square dance Club.

Enthusied, open minded and forward thinking, they have rarely missed a dancesince that time. They attended "A" type classes a couple of times and enjoyed them but have preferred the fun and comfort of club level Plus dancing as practiced by the Wright-Patters.

They have introduced many couples to square dancing and enjoy the socializing that goes with it. They have been active in helping their club's banner raids and should attain their "100" raid badge before spring.

They have not been just dancers. They have also been Secretary, Vice-president and President of the Wright-Patters. They are and have been assistant treasurers for eight years. Have served on many committees through the years. Headed feed committee at the 10th anniversary dance and chaired the "Sweet 16" dance. Both highly successful.

Have been delegate to the Miami Valley Dance Council for several years.

Served on Miami Valley Dance Council New Building committee for 2 years.

Served Miami Valley Dance Council nominating committee to obtain a slate of candidates for council office.

Have always almost automatically been on decorating and clean up details for their club, the Wright-Patters, and have helped on all their special events and special dances.

Truly, this couple is outstanding in their contribution to the welfare of Square Dancing and are especially deserving of recognition by the council.

Billie Low
President
