all Club activities such as, mystery trips, raids and retrievals, Ohio River Boat Cruise
attended leadership seminar, sewing clinics.

They haven't been able to participate in the Council positions or State Corp positions
because of the short time they have been dancing. Given the time and opportunity, we
are sure they could be affective in either of these roles.

They are presently working on their second go-round for the Council Freindship Badge with
one more club to visit. Then they will begin their third go-round. They are half way
through the Clubs for their 100 honor badge and still remain quite activity in the Club.
