Letter of Nomination for Charles and Zora Krainz

The Miami Valley Folk Dancers wish to nominate Charles and Zora Krainz for Honor Roll Couple of the year. This nomination serves to recognize the strong supportive contributions they have made to the functioning of the folk dance groups in the Dayton area.

Charles and Zora Krainz have been members of the Miami Valley Folk Dancers for approximately sixteen years. During this time they have regularly attended the Thursday evening sessions and Ethnic Sundays, participated in the special workshops sponsored by the group, and joined in the demonstration of folk dancing at area retirement homes and such events as the Sauerkraut Festival in Waynesville.

They are particularly appreciated within the group for their culinary talents and their willingness to use these talents at special events and workshops. In recent years, for example, they provided an Israeli dinner for the Yaakov Eden Workshop, and organized the Hungarian dinner for the Andor Czompo Workshop. And of course they had a very active role in the preparation of the 35th Anniversary celebration dinner.

Charles and Zora Krainz have been involved in square dancing for approximately ten years, and have attended the State Convention several times. They are also very active members of the Yugoslav Club of Dayton, and have worked annually at World Affair.

In conclusion, Charles and Zora Krainz have, in their unique way, contributed much to the folk dance groups in the Dayton area. They deserve to be recognized for their efforts.
