Roadrunners Honor Couple Nominee:

Keith & Joyce Ward

Keith & Joyce Ward became interested in square dancing in 1978 through their membership in the Ohio Country & Western Music Association. The club wanted to have some entertainment between band performances, so the Wards and three other couples taught themselves the first 50 basics and began to dance between band acts. They found that they really enjoyed dancing and enrolled in classes instructed by Keith Zimmerman at the Vandalia Circle 8's.

The Ward's went on to angel at the Circle 8's for the next 5 years and eventually became interested in the Advanced level. They took instruction from Dave Hodson in 1983. In '84 and '85 they entered the Advanced 2 arena and became members of the Roadrunners in Lawrenceville, Ohio.

Since that time, Keith & Joyce have been the Roadrunners 'officers'. Their duties involve everything from hall preparation and collecting the donation to handling the refreshments.

They are currently members of the Trojan Squares in Troy, the Roadrunners and the Ohio Square Campers where Keith serves as the clubs Deputy Sheriff.

Keith & Joyce have attended 9 Buckeye State Conventions, one National and many festivals and weekends. They are currently planning to explore Challenge level dancing in the coming years.

The Wards have been happily married for 24 years, have two daughters and two grand-daughters. They reside in Troy, Ohio.
