Dear Friends:

Talk about miracles ... \$531,576! The tenth anniversary of the Children's Miracle Network Telethon made the future look a lot brighter for our young patients at The Children's Medical Center. Thanks to you, children in our community are assured of quality health care in their time of need.

Your generosity showed the viewing audience your commitment to providing the best for our kids and made everyone aware of the overwhelming support we receive from the community. We thank you for your total donation of \$1,052.00

On behalf of CMC's staff and especially our patients, thank you for helping us continue to make *miracles happen* for the Miami Valley area. We look forward to next year and to your continued friendship.

Sincerely,

Dianne van Ruiten  
Telethon Coordinator
