

At the Buckeye State Dance Convention held in Cincinnati this

year, Kettering residents Ed and Betts Melhuish were elected Presidents of the Ohio Corporation of Dance Clubs, Inc. for 1996-97.

The State Corporation represents 9 Councils/Federations throughout the State of Ohio which are made up of Square, Round, Clog, Folk, Contra and Country-Western dance clubs. Our local Miami Valley Dance Council is a Charter member of the State Corporation and

represents all these programs in their many clubs. The Council extends from Lebanon/Wilmington in the South, to Piqua/Urbana in the North, and Richmond, Indiana in the West to Lake Choctaw in the East. The clubs dance 1 to 5 times a month and every day of the week is represented. Once you learn to dance in any one of these programs, you can choose how often you want to dance; the night that fits your schedule and where, including anywhere in the World, as all dancing is in English.

Ed and Betts Melhuish are members of the Super Bee Squares in Beaver Creek. Ed is the immediate Past President of the Miami Valley Dance Council and Betts is one of their State Corp. representatives.

They have been dancing for more than 15 years.

If you would like more information about dancing, please call the Dance Council's 24 hr. Hot line - 294-5511.

Pay told us the committee tried to take into consideration all of the suggestions the committee received. What they have done has been to make copies of the constitution and by-law and the proposed changes for everyone. She will try to have on all of the major changes as she does through the entire document. She has included this committee people and their phone numbers on the last page so if anyone wants to discuss anything between now and the next council meeting.

Motion to adjourn by "Mr. McGraw, seconded by "Miss Martin" was carried.
