

## **SHOOTING STARS SQUARE DANCE CLUB**

**The Shooting Stars began at Enon Methodist Church in 1961 and was called the Enon Square Dance Club. In 1966 the club took the name The Enon Shooting Stars. Ten years later, in 1976, the club moved from Enon to what is now Greene County Career Center. Because of a large membership from all over the Miami Valley they became the Shooting Stars Square Dance Club.**

**The club has participated in many activities including demonstration dances at nursing homes, parades, festivals as well as many miscellaneous other events.**

**The Shooting Stars currently dance the first, third and fifth Saturdays from 8:00 PM to 10:30 PM at the Greene County Career Center. Western Square Dance lessons are given at the Five Points Elementary School in Fairborn. For more information about this club call 426-9621 or 878-9814.**
