SUBJECT: ATTENDANCE AT MIAMI VALLEY DANCE COUNCIL MEETINGS

Dear Chuck:

Per MVDC Constitution and By-Laws, for a club to retain membership in the MVDC the club representative (usually the club president) must attend four of the six bi-monthly meetings (see By-Laws, Article III, Section 3). This is reiterated under the membership guidelines which includes that a Council member club provide a club representative to at least four of the six bi-monthly Council meetings (see By-Laws, Article IV, Section 2, item A). Membership of a club may be rescinded by a majority vote of the council if it is determined by an ad hoc committee of three that such club does not operate within the guidelines of the Constitution and By-Laws of this council (see By-Laws, Article III, Section 5.)

A check of the council sign-in sheets shows your club, *Rounds by Jobe*, has missed three council meetings in the last twelve months. Your club representative needs to come to the next council meeting and reinstate your club with MVDC. Please remind your representative if he cannot attend the meeting he needs to send a replacement. This person must sign-in and stay for the meeting.

Looking over the past few years your club has a habit of missing several meetings. Clubs who never miss a meeting seem to become upset over absentee members. I'm looking forward to seeing you or your club representative at the meetings.

Thank you.

Sincerely,
