REPORT---MIAMI VALLEY DANCE COUNCIL MEETING OF NOV. 9, 2004

1. Amendment adopted to add the following sentence to the end of MVDC Constitution Article II, Section 5, regarding Election of Officers and Terms of Office: "In the event that no other persons volunteer to take an office, the current officer can be reelected for one additional year."
2. Election of officers for 2005: Auggie Auckerman is the new President.
3. Honor Couple applications turned in to MVDC officers---it was announced that the new honor couple were to be chosen by them after this meeting ended. Actually, the choosing was postponed according to Constitutional rules until January.
4. New first half of 2005 Fold-ups---the schedules of member clubs' activities list---were distributed to be made available for interested club members.
5. Fifteen new tables ordered and will arrive soon to replace ten old tables in bad shape.
6. MVDC has a new web site at www.MiamiValleyDanceCouncil.org. It provides schedule and contact information for every club in the council. Our information appears to be correct.
7. Three member clubs will apparently be folding at year's end. Another left earlier this year.
8. No purchase of new microphone needed---Dance Council to use Folk Dancers' mike for its meetings.
9. Pavilion floor will be resurfaced/recoated during the Dance Councils' convention weekend (May 6,7,8). Pavilion will be closed for use at that time.
