

Miami Valley Dance Council

2010 Honor Roll Couple

Dick and June Walser

Concord Cloverleaf Squares

Dick and June Walser are charter members of the Cloverleaf Squares. They took lessons from Jess Fugate when he taught a small class arranged by Jim & Joyce McGuire in 1993. This small class formed the club and held its first dance in February 1994 at the Concord Community Center.

Dick does much of the publicity work for the club by designing flyers for special dances. He designed the logo for our club shirts. June did the leg-work in ordering and getting them printed.

Dick is one of the main drivers when we car-pool for Raids and Retrievals. On a typical weekend when we go to at least two dances, he drives a total of about 160 miles. His van holds 8 people so we depend on him a lot.

In 1998, Dick & June planned and mapped out a trip for many of our members to go to National Convention in Charlotte. They made all of the arrangements for motels and sightseeing on the trip. It was the first National Convention for most of our club.

Since then, Dick and June have planned other trips for our club to attend National Conventions. The best one was when they planned for 16 members to fly out to California for the Convention in Anaheim. We flew into San Francisco and rented 3 vans and then toured the whole state. Dick mapped out the entire tour!

The other trips to National Conventions included St. Paul in 2002 and Denver in 2004. Dick and June have attended many other National Conventions of their own.

Last year when it was time to start lesson classes, Dick and June wanted to draw more local attention to the Cloverleaf Club in Urbana. They hung big signs on Dick's little Miata and drove it in the Hoopla Parade through the center of town. It drew lots of attention and inquires about lesson classes.

June also attended the Community Activities Fair which is held each year at Urbana University to make the students aware of activities they can get involved in, in Urbana.

The Concord Cloverleaf Squares have nominated Dick and June for MVDC Honor Roll Dancers because we feel they have truly embraced the spirit of square dancing.
