Hi Steve,

As I mentioned, I will be out of town next week and will miss the Council meeting.  
Here is my Historian report.

-----

MVDC Historian Report for 3/13/2012

I continue to scan in historical artifacts and add them to the digital archive.  
Should anyone or any club have any Council or Club historical or current artifacts they'd like to have included in the digital archive, please send them to me. Please do not despair if your artifacts do not immediately show up in the digital archive. There are many, many stacks of paper yet to be scanned and processed. If you'd like to help with the scanning process, please let me know.

I'd especially like to acquire back copies of the Miami Valley Dance News.

1992 Honor Roll Dancer Ann Ballinger passed away in Jan, 2012. She was 90.

Changes to the Digital Archive since 12/6/2011:

- Added Council membership information on many clubs from 1969-1988 - includes type of club, when they joined the council, when disbanded, etc. Club information was added or updated for 35 clubs.

- Added directories for 10 clubs - 65 clubs now have a directory in the digital archive. I only create a club directory when I acquire an artifact that is specific to the club.

- Added some additional historical Honor Roll Dancers nominations and updated the Honor Roll Dancer webpage accordingly.  
If any club has past nominations in their records, if they would send them to me, I'll add them to the archive.

- Added Council artifacts from 1995, 1996, 1997 - agendas, minutes, letters, general business artifacts.

- Added Council artifacts from Constitution and Bylaw reviews and updates in 1999, 2001, 2002

- Included Council Minutes and Newsletter artifacts up to

current date.

- Added Michael Solomon Support Committee artifacts from 1997 - 2007 - agendas, minutes, correspondence, forms, work party photos, etc.

- Added to the list of acronyms in use in the digital archive for naming files.

Respectfully submitted,  
Leslie Hyll
