Vice President: Dale Blackburn provided flyers for the Summer Plus Workshop on Mondays, June 3, 2013 through July 22, 2013 from 7-9:30pm for \$2 per dancer. There will not be a break for the week of July 4th. The dances will go on as scheduled with each dancer deciding for themselves if it is too hot. He encourages the clubs to get their new dancers out to the workshops and also the need for the angels. Thanks to Steve Hayden for putting the flyer on the website. He also needs information about club lessons by June 18, 2013 for the Lesson Class Information flyer to hand out at the July meeting. The Student Fall Dances in October and November last year were beneficial and he will be scheduling again this year.

Trustees: Kathy Divens said they plan for the Benefit Dance on September 15, 2013 at the MSP and it will include all types of dancing in an hour and a half segments for Ballroom and Folk Dancing with a dinner break and then Square Dancing. Tom Dillander will be the beneficiary. Tom Davis and Mark Patterson are the callers and cuers are undecided. Admission will be \$7.00 and each club will need to bring 2 dishes.

President: Steve Stoehr will wait until the Unfinished Business.

Publicity: No Report

Callers Association: Stuart Lewis said they appreciate the efforts of getting the students to dances all year but don't let them slack off this summer. Also, Tom Dillander was a caller from Ohio and Kentucky and he owned Palomino Records. He was very much active in the Youth Program, and did the sound for several State and National Conventions. As a small business owner he didn't have much insurance and when a boiler blew up he was burned over 95% of his body. There are still unpaid hospital bills and there will be Benefit Dance this Sunday in Shepherdsville, KY from 2-6pm at the St. Aloysius Gym, 187 S Plum St.

Awards: Linda Hasting announced there were 2-100, 3-200, 3-300, 2-400, 2-700, and 1-100 badges since the last meeting. The Honor Dance next year will be March 2, 2014 from 2-5:00pm.

MSSC: Bob DeRegnaucourt reported the floor was refinished again we will keep an eye on it because it is warranted for 5 years. Next time we will use Simpsons again if they are available. The north door lock was repaired. Bob said the most important thing he has to bring up is the AED unit. It hasn't been kept up to date and we will get Richard Bishop to take care of that and also conduct classes. Richard Bishop stated they can conduct the classes or you could take the class on line with a short 15-20 minute practical per person using the mannequins and the AED's. The CPR/AED 4 hour class is \$25.00 per person. The computer with a CPR/AED practical is \$20.00 per person. To include First Aid with the CPR/AED is \$35.00 per person. There is a

maximum of 20 students per class. Linda and Richard requested the club reps report back if their club has an AED available at their dances. Bob also wants each club to decide if they can conduct a class or participate in one at the MSP and have the reps report back.

Pavilion Scheduler: No Report

Historian: Leslie Hyll had no report.

Hotline: The foldouts are available for the June-December dances.

Unfinished Business: Steve Stoehr brought up the discussion from the last meeting of loaning the money for the possible 2017 National Convention in Ohio. He thinks we need \$15000 and already have \$7500 from the Tourism Bureau. The Detroit Convention said there is possibly some from them if we can't find enough. There will be fundraisers and there are t-shirts that will start to appear. If we do get the bid we also can begin selling registrations right then. Linda Bishop made a motion to support the Convention with seed money at no particular amount and seconded by Steve Hayden. Motion carried with no one opposed.

New Business: None

Club News: Steve Hayden reported there was an error in the green Gem City flyer on July 20, 2013 with Pam Courts (not June 20 with Ken Roberts). Linda Hasting said the Yellow Rockers next dance is Sunday, May 19th, 7:30-10:00pm with Tom Strickland and Elaine Wintrow and it is a high-low. Our October dance is a special dance at the MSP. It is our Fall Festival of Leaves on October 13th from 7-10:00pm with Mark Patterson and Jack Pladdys and Elaine Wintrow on rounds.

Attendance: Tuesday Plus and Wheeler Dealers were not signed in.

Additional Notes: Linda Hasting said glasses were found and are hanging on the bulletin board. Fay Samborsky requested that everyone remind their club members that if they lost something at the MSP to check the box in the kitchen and the NE corner. Linda Hasting questioned when the walls were being removed and Bob DeRegnaucourt replied that it is the middle of May.

Adjournment: Motion moved by Steve Hayden and seconded by Bob DeRegnaucourt. Motion carried and meeting adjourned at 7:40pm.

The next Miami Valley Dance Council will be at the MSP on Tuesday July 9, 2013 at 7:00pm.
