Write Up

**Mabel and Harry Schweizer**

Mabel and Harry belonged to two Clubs before the Hoosier Corners was formed. They were Boots & Slippers, and Nettlecreek Steppers; they both folded and the Hoosier Corners was formed. Mabel and Harry were some of the original people involved with that change.

Mabel and Harry have been a real inspiration for their work in the Hoosier Corners Dance Club. They have been the booking agent for our dances for twenty-two years, and have really enjoyed the work that comes with that job. Mabel has continued with the same enthusiasm since Harry passed away.

She is still going to the dances every weekend. Comes to the dance lessons every week. She has been a great help on the lesson floor, she is trying to learn the man's part so she can continue to dance.

Mabel and Harry made many trips out of the City to hear a new caller, so they would know if he or she would be good at our dances.

She has kept a record of the callers that she has heard. She will not let anyone look at that record. She says it is her opinion only. All of the callers and callers know Mabel and Harry on site. She has developed a close relation with some of them.

When we had our float they were great help setting it up and getting it ready for the parade. You could always count on help with the decorating and upkeep on the float. We spent many hours decorating that float. Every parade had a different theme and, therefore, each time the float went out we had to have the theme appear on the float. Harry had to tow the float in some parades.

They have at least 400 raids and retrievals with Miami Valley and are not sure with the Indiana Dancers Association. The IDA did not give raid & retrievals to clubs. Therefore, we do not have a record of how many was accumulated.

Mabel would make a good honor roll dancer as she works hard at anything she is in. I wish we had more of the Mabel & Harry Schweizer personality in our dancers of today.
